# ENTRANCE HANDLES

## SPECIFICATIONS

The Sabre range of Entrance Handles are ideal for making those first impressions last. Made from durable and corrosion resistant 304 Stainless Steel material, there is sure to be one that suits your requirements. Most designs are available in various sizes and come complete with all

relevant fixing screws to suit your application. Special fixing options are also available to suit single sided fixing solutions.

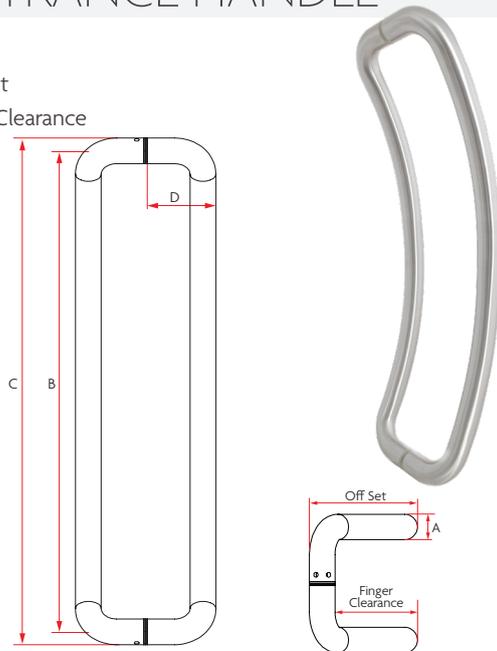

**Note:** All handle sets come complete with 2 x 100mm, 2 x 50mm M8 bolts and protective washers to suit.
